NAMRATA YADAV

Prayagraj, Uttar Pradesh

namratayadavny83@gmail.com | +91-8303339653

Professional Summary

Information Technology & Engineering student with skills in full-stack development, web technologies, and IoT applications. Experienced in C, C++, HTML, CSS, JavaScript, and modern development frameworks. Built projects including a smart agricultural control device, interactive games, and task management platforms. Known for teamwork, leadership, and effective problem-solving, with experience in project development and execution.

Education

United Institute of Technology, Prayagraj — July 2020 - July 2024
Bachelors of Technology in Information Technology & Engineering

Saroj Vidya Shankar Inter College, Prayagraj — April 2019 - April 2020
Intermediate (CBSE)

Saroj Vidya Shankar Inter College, Prayagraj — April 2017 - April 2018
High School (CBSE)

Technical Skills And Interests

- **Languages**: C (basic), C++, HTML, CSS, Python (basic), JavaScript
- **Databases & Tools**: MySQL, Visual Studio | SDLC, STLC
- **Operating System**: Windows OS
- **Core Competencies**: Web Development, Mobile Technology, GIS
- **Soft Skills**: Project Management, Team Leadership, Problem Solving, Analytical Thinking

Projects

Smart Agricultural Control Device | C++, Mobile Technology, GIS

- Developed a control device system to access and manage farm appliances remotely.
- Integrated Mobile Technology and GIS for real-time agricultural monitoring and optimization.
- Designed an intelligent solution for modern sustainable farming practices.

Rock Paper Scissors Game | Java

- Built an interactive two-player game with real-time display of game symbols and outcomes.
- Implemented game logic for rock, paper, and scissors mechanics with win/loss determination.
- Served as project leader and coordinated team execution from concept to completion.

To-Do List Application | HTML, CSS, JavaScript, Mysql, SDLC, STLC

- Developed a full-stack task management platform with persistent data storage.
- Designed interactive user interface for creating, organizing, and tracking project tasks.
- Implemented backend functionality using Node.js and MongoDB for efficient task management.

Certification & Training

- **Full Stack Development**: Summer training from UIT, Prayagraj
- **Core Java**: Summer training from UIT, Prayagraj
- **Web Development Workshop**: Completed from UIT

Leadership And Achievements

- **Project Leadership**: Successfully led 3+ technical projects from concept to completion
- **Internship**: Full Stack Development internship at All Soft Solution And Services
- **Extra-Curricular**: Participated in sports competitions organized by UIT
- **Team Work**: Demonstrated strong collaborative skills across all project initiatives
